

Location of Serial # on AHT Liftgates

All Serial #'s are 3 or 4 digits

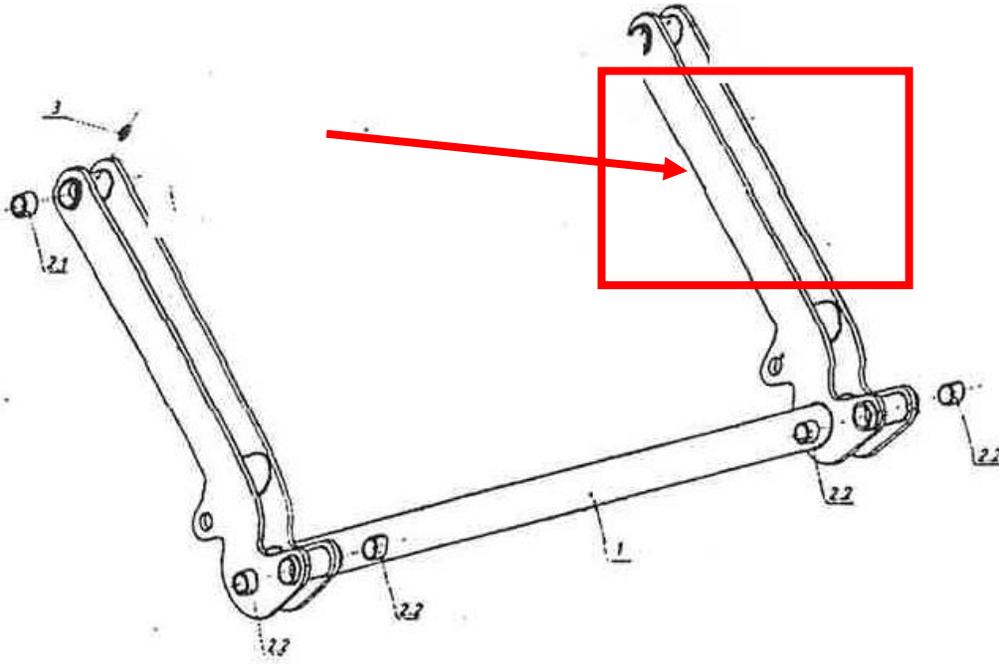

Stamped on top of main frame assembly (flat part) at mounting brackets on Power Pack side

Mounted on metal plate riveted to the outside power pack cover or on older gates riveted on bumper bar near control box. Some gates are a heavy duty label sticker.

Stamped on flat surface on Lift Arm on Power Pack side

Stamped in right lower area of platform (Platform Closed)
